## Applied Behavior Analysis (ABA) Hands-On Family Empowerment Course

Parents of children with autism enrolled in an ABA therapy program now have the opportunity to further maximize their child's potential through our ABA Hands-On Parenting Course!

Parents enrolled in the course will be empowered with the tools and strategies to:

1. **Decrease challenging behaviors in their child**
2. **Increase appropriate behaviors in their child**

**Who:** Parents, grandparents, aunts, uncles and foster to adopt parents who are caregivers of children up to eight years of age with an autism diagnosis. Each session will be personalized to fit the specific needs of the child and family.

**Time:** The individual trainings sessions will be 1 hour per week for eight weeks during ACN office hours on Monday through Friday.

**Trainer:** A certified behavior analyst (BCBA-D/BCBA/BCaBA) from ACN will work directly with you and your child

### **Pre-Training Session:**

- One Reaching Families Facing Autism Session at Any Baby Can. Cost: Free  
Call Any Baby Can at (210) 227-0170 to register for Reaching Families Facing Autism

**OR**

- One additional session without the child at ACN.

**Cost:** Session price is done on a sliding fee scale based on family income— \$40 (full price) to \$10 (families on Medicaid)

**School Excuse:** Your child will not be counted absent. A school note will be provided that will excuse your child
